Done Sharing

2. A new webpage will open up in a separate tab.
  - a. If you are using a **Firefox** or **Chrome** web browser:
    - i. If you are **already logged in to Facebook** on this web browser, the following page will appear. Skip to [this step](#).

Sharing complete

Please close this browser tab.

- ii. If you are **not currently logged in to Facebook** on this web browser, a login page will appear. Please enter your Facebook username and password and click **Log In**.

The image shows the Facebook login interface. At the top, it says "Log Into Facebook". Below this are two input fields: "Email or Phone Number" and "Password". A blue "Log In" button is positioned below the password field. Underneath the button is a link that says "Forgot account?". A horizontal line with the word "or" in the center separates the login section from the registration section. Below the line is a green "Create New Account" button, and at the bottom is a link that says "Not now".

Log Into Facebook

Email or Phone Number
